

Open Call for an Internship Position 2024 at Helsinki International Artists Association (HIAA)

HIAA is offering students or professionals the opportunity to undertake internships for a period of up to 6 months; the exact time will be agreed upon with the applicant and HIAA. TE-Office / Labour Office pays the compensation of the internship (työkokeilu) therefore the applicant needs to be registered as an unemployed job seeker.

The selected candidates for this announcement will start in September 2024.

Work at HIAA is mainly remote with flexible hours. For this role, it is very important to have interest and a good knowledge of arts and event management. We work with artists from different international backgrounds, organising events to support the diversity in contemporary arts in Finland and finding new ways of representing the international art community in Finland.

Internship at HIAA

Under the guidance of HIAA Board you will be working with:

- Communication with our members
- Event coordination
- Onsite event production
- Grant writing
- Other random tasks (supporting the work of our board)
